## Welcome

Welcome to Issue 23 of the quarterly bulletin of the Single Scheme Administration Project. This bulletin aims to share relevant information with all administrators involved in the operation of the Single Public Service Pension Scheme.

This edition includes:

- a link to an advance copy of the forthcoming annual Scheme survey;
- an update on the Single Scheme Databank;
- a review of Single Scheme training activities in 2021;

## Annual Survey

We will be sending out a link to the annual survey to all Relevant Authorities in early January seeking data as at 31 December 2021 on your Single Scheme members. The primary objective of the survey is to obtain total membership numbers in order to accurately calculate Pension Authority fees, for payment by DPER on behalf of all Relevant Authorities. We will take the opportunity to check in on other areas of scheme administration, including data relating to levels of compliance (annual statements etc.). The deadline for receipt will be **21<sup>st</sup> January** and a return by all Relevant Authorities is mandatory. ***An advance draft of all of the questions that will be asked is available on our website [here](#) to allow you to make advance preparations.***

## Single Scheme Databank

216 Relevant Authorities have completed onboarding between 2019 and 2021. The remaining standalone RAs will complete the process in 2022, and onboarding programmes have commenced with Department of Education/ESBS and the HSE.

**Reminder: 1 November 2021** was the date fixed by the Minister for most organisations to make their statutory return to the Single Scheme Databank for 2020. There are **three** Scheme Files required for the 2020 return:

- Membership Data
- Benefit Payments Data
- Purchase and Transfer Data

We are issuing reminders in relation to incomplete returns and outstanding files. Please email [singleschemequeries@per.gov.ie](mailto:singleschemequeries@per.gov.ie) if you have any queries or require user changes on the Databank to progress your returns.

A big **Thank you** to all of you working in Relevant Authorities and Shared Services for your engagement and efforts in the Databank Onboarding process and 2020 returns.

## 2021 Training Workshops

**If your organisation requires any new members of staff to attend any of the training modules**, please email [singleschemequeries@per.gov.ie](mailto:singleschemequeries@per.gov.ie) advising which modules are of interest and the desired number of places. It is important that you do contact us in this regard so that we can gauge interest and determine which training modules will be delivered and how many sessions will be made available to potential participants. As a reminder, the webinar training modules that can be scheduled are:
